4531 HyperKewl™ & TechKewl™ HYBRID SPORT COOLING VEST

Colors: Blue, Black, Silver, Custom
Size: XS - XXXL

This vest combines our evaporative cooling and phase change cooling technologies for longer, more effective cooling. It's the same system used by Formula 1 Drivers and the US Military. Great for use underneath protective gear or in situations with limited airflow.

6530 HyperKewl™ EVAPORATIVE COOLING DELUXE SPORT VESTS

Colors: Black, Silver, Blue, Hi Viz Lime, Custom
Sizes: XS - 3XL, Custom

6529 HyperKewl™ EVAPORATIVE COOLING SPORT VESTS

Colors: Black, Silver, Blue, Hi Viz Lime, USA Flag, Khaki, Marine Desert Digital, Army ACU Digital, Custom
Sizes: Kids 5/6, 7/9, & 10/12, Adult XS - 3XL, Custom

6532 and 6533 HyperKewl™ EVAPORATIVE COOLING VESTS W/ SLEEVES

It has all of the characteristics of our 6529 and 6530 w/the added comfort and protection of detachable sleeves. Great for desert riding as sleeves protect and cool arms.

6531 HyperKewl™ EVAPORATIVE COOLING ULTRA SPORT VESTS

Pull over w/mesh ventilation panels and scoop neck
Hi-viz Lime w/Silver trim, Royal Blue w/Silver trim, Black w/Silver trim, and Silver w/Silver trim
